## CATALOG PRICE LIST

This Price List contains prices for all trees, shrubs, small fruit and other plants contained in the "BOOK OF THE ORCHARD, LAWN AND GARDEN." If you do not find the plants in this list that you want, consult our "Special List." If you do not find in the "Special List" the article you want, write us. We have a stock of many varieties not mentioned in our lists as our stock is not big enough in all varieties, but we quote prices on application.

**NOTE:** Sizes of trees and shrubs are given as follows: 5-6 ft. apple tree means a tree between 5 and 6 feet. 18-24 in. means between 18 and 24 inches.
